# Summer 2010

---

## Activities

During the four days of camp, we will complete a variety of art projects.

These activities include:

### Upcycled Art

Upcycling is the process of taking something of little or no value (trash) and creating something valuable or useful (treasure). We can use bottle caps, spare board game parts, puzzle pieces, old glass bottles, aluminum cans, and many other objects to create great jewelry and fun crafts.

### Glass Art

In glass art, we will learn how to work with glass in a fun and safe environment. Campers will learn how to cut and arrange glass in order to create objects like mosaics, stepping stones, or sun catchers.

### Mixed Media Art

Mixed media art will offer campers the opportunity to learn a variety of techniques as we work with everything from collage to paint to found items to

beading. Campers will have the opportunity to create unique picture frames and other art items.

## Skills

During art camp, campers will learn a variety of arts and crafts related skills including (but not limited to!) glass cutting, grouting, and composition.

## Cost

**Ages 5-9                      \$85**

**Tweens & Teens    \$90**

\*There will be a \$10 fee charged to registrations or changes received within 5 days of the camp starting date. Refunds will be given for cancellations received more than 10 days in advance of the camp starting date minus a \$15 administrative fee.

## Saturday Art

For those unable to participate in a four day camp, we offer Saturday Art Classes from **10am-12pm** during the months of **June** and **July**. Choose from any of the art camp activities. Reservations are preferred but walk-ins are still welcome.

Costs are per project and range from **\$10** (upcycled art) to **\$25** (glass art, including mosaics, stepping stones, sun catchers, etc). Children under the age of 8 will need to be accompanied by an adult. Contact Daly Designs for more information on Saturday art classes.
